

simply delicious.

Very affordable dining that offers simple, good food with a focus on salads, soups and light entrees and sonoran style mexican food.

Take a break and stop on in for coffee, espresso, tea or the snack of the day!

There is seating on the porch, portal as well as inside with AC or by the fireplace.

Santiago's is a great place to hang out with friends. With a full bar, wireless connection and all the latest magazines, you can't go wrong.
